

# PEOPLE WITH DISABILITIES NEEDED

## for an Automated Shuttle Perception Study

### Perceptions of Automated Shuttle Exposure

Help us understand your perceptions towards the automated shuttle.

#### WHO IS ELIGIBLE?

Participants who:

- are 18 - 85 years old
- have a visual, hearing, ambulatory, self-care, and/or independent living impairment
- are community-dwelling (not institutionalized)
- can pass a cognitive screening

#### DESCRIPTION OF STUDY

Participants will complete 1 visit including:

- baseline surveys (30 minutes)
- riding the automated shuttle (20-25 minutes)
